for swimmers, campers, hikers, backpackers, picnickers, and just plain adventure lovers. you get the most out of your visit.

ks are filled with opportunities

Whether you're just stopping in for a day, or plangrounds in Canada's national parks, you'll find a host

of diverse recreational activities and services to ensure This fiver includes a list of recreational activities and

services available in each national park. It also provides the location of campgrounds in the various parks, opening and closing dates (weather permitting), hookups and facilities, and a general phone number for each park. Since some campgrounds are busy at certain times of the year (noted by an *), it's a good idea to phone ahead for information (all parks) or

reservations (Bruce Peninsula and Terra Nova only). Come for a day, or spend your vacation at one of Canada's fabulous national parks. For general information about Canada's National
